EASTC TECH CHATTERBOX

FROM THE PRINCIPAL'S DESK:

As we close our inaugural year at EASTC Technical School, I'm thrilled by the strides we've made together. Operating as a new school presented challenges, but through collaborative efforts, we've overcome hurdles and laid a solid foundation. A heartfelt thank you to our exceptional team of teachers and staff for their dedication and hard work. Your passion has created a positive learning environment for our students.

To our parents, thank you for taking the bold step of enrolling your children in our school. Your trust and support have been instrumental in our success. As we look ahead to the next academic year, I am excited about the possibilities. Thank you for being part of the EASTC Technical School family, and I look forward to continued success together.

*Best wishes
