EASTC TECH CHATTERBOX

Dear Parents and Students

As we come to the end of another month and enjoy the mid-year holidays, I would like to take a moment to reflect on the incredible success we experienced during Term 2. This term was marked by exceptional achievements and inspiring displays of sportsmanship, particularly in our sporting events.

Our students shone brightly in both the Inter-School Athletics Day and the Inter-School Ball Games Competitions. Their dedication, hard work, and team spirit were evident in every event, and we were proud to see many winning performances. More importantly, the sportsmanship displayed by our students was commendable, exemplifying the values of respect, fairness, and camaraderie.

In addition to our sporting triumphs, we also had a highly successful examination period. Our students approached their exams with diligence and determination, and the results reflect their hard work. I am confident that all our students passed their exams, and for those who may not have achieved the results they hoped for, please remember that it is not the end of the world. We are committed to working closely with you and your teachers to help you improve and achieve your academic goals.

I want to extend my heartfelt thanks to our dedicated teachers for their unwavering support and guidance, and to the parents for their continued involvement and encouragement. Your partnership is invaluable in ensuring our students' success.

As we enjoy the remaining days of the holiday, I encourage everyone to relax, recharge, and spend quality time with family and friends. We look forward to welcoming all students back refreshed, and ready to embark on another exciting term of learning and growth.

Wishing you all a safe and enjoyable holiday.

Warm Regards
Sheunesu Nyika

FIND OUT MORE
admin@eastctechnicalschool.co.za

C/O Pienaar and Commissioner is an area of high traffic on our campus. We are excited to announce that we will be filling this with advertising boards. We would first like to offer our parent body the opportunity to advertise on these boards. If you are a business owner, this is an excellent opportunity to showcase your brand in front of hundreds of families over a 12-month period. Should you be interested in securing advertising space, please contact Amelia Walker on 010 745 7099 or admin@eastctechnicalschool.co.za. We are hopeful that these opportunities represent a win-win scenario – where our learners benefit from the additional revenue stream and the businesses who participate benefit from valuable brand exposure.
