

JANUARY 2025

EASTC Tech Chatterbox

INSIDE SCOOP

EASTC TECH CHATTERBOX

Dear Parents, Guardians and Students,

We extend our warmest welcome back and a happy new year to both new and returning parents and students. We thank you for trusting our brand in particular, and hope that together, parents and staff will strive to support our learners to achieve their best this academic year.

Additionally, I am excited to announce that our upcoming Open Day will be held on the 11th of January. We invite you to bring along relatives and friends to experience firsthand the vibrant learning environment and community spirit of our school.

Please utilise the school calendar to stay updated with regards to important school events. We are looking forward to a fruitful 2025 with you all.

Warm Regards
Sheunesu Nyika
Principal, EASTC Technical School

A man with glasses and a blue shirt is pointing his index fingers up towards a large white sign that reads "LOOKING FOR A SIGN?". The sign is set against a blue sky background. To the right of the man is the EASTC Technical School logo, which features a gear, a book, and a graduation cap inside a shield shape, with the text "EASTC TECHNICAL SCHOOL" below it. The entire image is framed by a white border.

LOOKING FOR A SIGN?

EASTC TECHNICAL SCHOOL

EASTC Technical School has prime advertising space, various packages available.

C/O Pienaar and Commissioner is an area of high traffic on our campus. We are excited to announce that we will be filling this with advertising boards. We would first like to offer our parent body the opportunity to advertise on these boards. If you are a business owner, this is an excellent opportunity to showcase your brand in front of hundreds of families over a 12-month period. Should you be interested in securing advertising space, please contact Amelia Walker on 010 745 7099 or admin@eastctechnicalschool.co.za. We are hopeful that these opportunities represent a win-win scenario – where our learners benefit from the additional revenue stream and the businesses who participate benefit from valuable brand exposure.

MEET OUR HEAD LEADERS & PREFECTS

Congratulations to our Head Leader and Prefects for 2025! Your dedication and leadership will serve as an inspiration to your fellow students. We are confident you will fulfil your responsibilities with diligence and enthusiasm.

OPEN DAY HIGHLIGHTS

We hosted our first Open Day of 2025 on Saturday, 11 January. Parents were amazed at how our students were able to clearly explain and demonstrate various science experiments, solar, electrical, and air conditioning and refrigeration exhibits. The virtual reality demo was a hit with attending parents and children. Safe to say, the inaugural EASTC Technical School Open Day was a success.

SCHOOL REOPENING

We welcomed our bright students back to school. It was a pleasure seeing familiar faces and meeting new learners as we embarked on another academic year filled with opportunities for growth and learning.
